# WELCOME

## WELCOME to the 2023/24 CYGNETT WNBL SEASON

Off the back of phenomenal growth in 2022/23, and the incredible momentum around women's sport, the upcoming Cygnett WNBL season is poised to reach even greater heights.

The numbers tell the story. More than 150 thousand people came through stadium doors across the country, including a record-breaking 6,741 at the game between Southside and Sydney at John Cain Arena, while WNBL fans increased by a whopping 67%, with 2.1 million at the start of the season, and 3.1 million at the end (ref: YouGov).

The WNBL is a world-class competition, demonstrated by the extraordinary quality of athletes participating in the league this season – both Australian and international.

With a record seven Australians playing in the WNBA this year, four of those will return to play in our league – reigning WNBL MVP and now WNBA Championship winner Cayla George (Las Vegas Aces to Sydney Flames), Sami Whitcomb (Seattle Storm to Townsville Fire), Kristy Wallace (Atlanta Dream to Melbourne Boomers), and Jade Melbourne (Seattle Storm to UC Capitals). At 21, Jade was the youngest player in the WNBA this year.

In addition, there are genuine WNBA superstars scattered throughout the league once again. Jordan Canada, who was named in the WNBA All-Defensive Team this year, will suit up for the Melbourne Boomers in her debut season in the WNBL, alongside Atlanta Dream player, Naz Hillmon. Jocelyn Willoughby is back who made the switch from Sydney to Adelaide in the off-season. Phoenix Mercury star Breanna Turner returns to the Adelaide Lightning after two years away. Seattle Storm's Mercedes Russell is back for her second stint in the WNBL with the Southside Flyers, while Atlanta Dream's Ari McDonald, the 2021 WNBA No.3 Draft pick, takes her first steps in the WNBL with the Perth Lynx.

The international depth in the WNBL is greater than ever before, with three Canadian internationals – Cassandra Brown (Townsville), Emily Potter (Perth), and Ruth Davis (Bendigo), three New Zealand internationals – Penina Davidson and Tera Reed (Melbourne), Esra McGoldrick (NZ), and one Japanese international – Monika Okoye (UC Capitals) suiting up in the league this season.

Not to be outdone, the homegrown talent will be on full display this season. With the 2024 Paris Olympic games looming, the Seven Consulting Opals and Gangarrus squad members are present in every team, all hoping to make their mark and book a spot on the plane. Look out for Amy Atwell, Miele Goodchild and Anneli Maley (Perth), Lauren Mansfield and Izzy Borlaise (Adelaide), Kristy Wallace, Sara Blicavs and Keely Froling (Melbourne), Maddi Rocci and Nyadiew Puoch (Southside), Jade Melbourne, Alex Bunton and Alex Sharp (UC Capitals), Alice Kunek, Steph Reid, Sami Whitcomb and Zitina Aokuso (Townsville), Tess Madgen, Cayla George, Shaneice Swain and Lauren Nicholson (Sydney), and Alex Wilson (Bendigo).

There's also a feast of incredibly exciting and uber-talented young stars in the league, all poised for breakout seasons. Keep a watch on Saffron Shiels (Townsville), Izzy Bourne (Adelaide), Dallas Loughridge (Southside) and Gemma Potter (UC Capitals).

This season the league is also incredibly fortunate to have the greatest basketball player this country has ever produced back on court – Lauren Jackson. Her career on-court accolades are too long to list here (just google them!), however in addition to those it's her incredible leadership, mentoring and genuine passion for basketball which is now shining through – inspiring generations of women and girls to be involved in basketball. Welcome back LJ!

The season tips off in Round 1 with Indigenous Round, delivered for the first time in conjunction with the NBL. Collectively the two leagues will use their voices and reach to amplify the messaging and stories of our First Nations People and athletes.

Round 14 will be the league's second round aimed at Fighting Period Poverty. Working with charity partner Share the Dignity, the round will aim to raise awareness of period poverty, collect and distribute sanitary products to those in need, and raise funds for the cause.

All games will again be broadcast live this season. Wednesday night games (and all Finals games) will be on ESPN (Foxtel, KAYO and Sky Sports NZ), while all other games will be shown on the Nine Networks free digital channel, 9 Now. Internationally all games will be broadcast live on FIBA YouTube, while also being shown on delay on WNBA League Pass.

The WNBL will launch its official App this season, which will include news, highlights, fixtures, results, live box scores and more. The App will be free, and downloadable in the Apple and Google App Stores.

The WNBL continues to grow and position itself as a world-class league. This requires work, contribution, collaboration and support from so many. Special thanks to club owners and administrators, coaches, support staff, referees and officials, sponsors and partners (particularly returning partners Cygnett, CTM Sport, DIY Blinds, iAthletic and Spalding), media, government and all who work on delivering the WNBL at Basketball Australia. Our stars of the league, the incredible athletes, who are not only unbelievably talented, but are also wonderful role models, and genuinely passionate about seeing the league grow. Last, but certainly not least, the many and loyal fans, who continue to support their favourite athletes, Clubs and league – we see you, we hear you, and we appreciate you.

It's the 44th iteration of the WNBL, Australia's longest running professional women's sporting league - let the games begin.

Christy Collier-Hill

Head of WNBL

Any photographer wishing to access these high-risk areas will require to prove they have Personal Indemnity Insurance of \$AUD 10 million. It may be a requirement to undertake occupational health and safety training at the venue.

1. I agree to indemnify and hold harmless BA, the venue, the WNBL Clubs and each of their employees, contractors, officers and agents against any loss, claim, expense or damage to BA, the Venue, the WNBL Clubs or any of their employees, contractors officers and agents resulting from a breach of these Terms by the Applicant (whether or not the Applicant is acting within the scope of any employment or contract) or resulting from the revocation of accreditation by BA.
2. I acknowledge and agrees that I shall move in and around the venue at my own risk.
3. I understand and agree that access to the venue will be refused and/or accreditation will be revoked if I, in the opinion of BA, am noticeably under the influence of alcohol, narcotics, stimulants or any behaviour- modifying substance, is behaving or is likely to behave violently, harmfully or in a manner contrary to public order, or if my appearance or behaviour negatively affects the public standing of the WNBL or BA.

I, the undersigned, currently hold adequate public liability insurance and will provide proof of such coverage upon request.

# Cygnett WNBL Awards

## **WNBL AWARDS COMMITTEE (NEW)**

To improve the integrity and impartiality of the WNBL Awards program, selection of recipients will now involve a two-step process – nomination (as outlined below, per previous seasons), and selection by Committee (new).

WNBL League Management will select 5-8 persons, consisting of past players, coaches and officials, along with media journalists and Basketball Australia representatives, to form the Awards Committee. Following nominations, this Committee will be responsible for selecting the season player awards.

Each Committee member will cast a vote for first, second and third place selections. Each first-place vote is worth three points; each second-place vote is worth two points; and each third-place vote is worth one point.

## **SEASON AWARDS**

### **SUZY BATKOVIC MEDAL (LEAGUE MVP)**

The Award was renamed as the Suzy Batkovic medal in 2019 to recognise and honour one of the competitions best players in Suzy Batkovic.

At the end of each regular season game both coaches and the lead referee conduct a 3-2-1 vote. WNBL will compile a list of the top twenty (20) players that received game MVP votes throughout the regular season. The WNBL Awards Committee will vote on this list and the player with the most votes be awarded the Suzy Batkovic Medal. If players are tied on votes from the WNBL Awards Committee, then the total votes received from coaches/referees during the season will be used to determine the overall MVP of the competition.

### **COACH OF THE YEAR (introduced 1987)**

WNBL Awards Committee will vote on the list of head coaches for the 23/24 season and the coach with the highest point total, regardless of the number of first-place votes, wins the award. If coaches are tied on total points, the number of first-place votes will determine the winner.

### **SIXTH WOMAN OF THE YEAR (introduced 2019-20)**

Prior to the end of regular season coaches from each team nominate a maximum of two (2) best sixth (6th) player recipients within their team, these nominations inform a list from which the WNBL Awards Committee members cast a vote for first, second and third place selections. A player from each team must be nominated for the final list. If players are tied on total points, the number of first-place votes will determine the winner.

Players that have started in 50% or more of the games during the season are not eligible for the award.

### **BETTY WATSON BREAKOUT PLAYER OF THE YEAR (introduced 1988)**

This award is to be awarded to a Rookie, youth player, or other breakout performer. Prior to the end of regular season coaches from each team nominate a maximum of two (2) players within their team. These nominations form a list from which the WNBL Awards Committee members casts a vote for first, second and third place selections. If players are tied on total points, the number of first-place votes will determine the winner.

The Award is named in honour of Betty Watson, who was a pioneer for women's basketball in Australia. (Award was formally known as Australian Youth Player)

### **ALL WNBL FIRST and SECOND TEAM (introduced 1988)**

WNBL will compile a list of the top thirty (30) players that received game MVP votes throughout the regular season. From this, the WNBL Awards Committee will select a First Team and a Second Team, making sure they do not select the same player in each team. Players are to be selected based on their performance throughout the season, and not necessarily by position. There is no restriction on the number of international athletes that may be selected in these teams (note this is \*NEW\* – previously the limit was two per team).

### **ROBYN MAHER DEFENSIVE PLAYER OF THE YEAR (introduced 1990)**

Prior to the end of regular season coaches from each team nominate the two (2) best defensive players within their team. These nominations form a list from which the WNBL Awards Committee casts a vote for first, second and third place selections

The Award is named in honor of one of the leagues greatest players, Robyn Maher, who was regarded as the best defensive player in the league during her playing career in the WNBL.

### **CYGNETT COMMUNITY AWARD (introduced 22-23)**

The Cygnett WNBL Community Award aims to recognise an athlete that has made significant contributions to the community through their time, actions and dedication.

The Award relates to activity undertaken in the immediate season.

At the end of each regular season Clubs will be asked to nominate one or more athletes who have been part of their program (including development players) for the Award. Information requested will include:

- Name of athlete
- Community efforts undertaken
- Impact of those efforts

The recipient of the Community Award will be selected by the WNBL Awards Committee. The winner will receive \$5,000 to donate to the charity of their choice.

### **FAN MVP (NEW)**

In the last round of the regular season, Fans will be invited to vote for their favourite player of that season. The player with the most votes will win the FAN MVP.

### **STATISTICAL AWARDS**

Each WNBL season the league will present statistical awards at the completion of the regular season. Statistical Awards will be awarded to the leading players in the following categories

- Leading Scorer
- Leading Rebounder
- Golden Hands Award

1. To be eligible for statistical awards, players must have played in at least 50% of the available games played each season.
2. The awards will be given to the player with the highest average for the season.
3. Golden Hands Award winner is determined by the following equation

$(\text{Total Assists} + \text{Total Steals} - \text{Total Turnovers}) / \text{Games Played} = \text{Golden Hands Award Rating}$

### **WEEKLY RECOGNITION**

- After each round of the regular season, WNBL League Management will analyse the results of each game and the player statistics, and recognise one athlete as the Player of the Week.
- Social Media graphics and a small highlights video of the Player of the Week will be produced and distributed amongst the league social channels.

## **LIFE MEMBERSHIP**

1. Consideration for WNBL Life Membership will be triggered automatically at 250 games for players and coaches, (including a combination of both), and 150 games for referees.
2. WNBL Life Membership is awarded for long and outstanding service to the competition and/or its organisation and operation.
3. Any person (in the role of player, coach, referee, technical official, or administrator), who has given outstanding service to the WNBL over an extended period may be nominated and/or considered for WNBL Life Membership.
4. Candidates for WNBL Life Membership will be considered only on the basis of their contributions to, and achievements in, the WNBL competition.
5. Candidates should have displayed the highest level performance and competitive spirit while making a significant, memorable, positive, commendable and lasting contribution to the WNBL.
6. Consideration will be given in exceptional circumstances to players, coaches and referees who have not reached the required criteria.
7. There shall be no limit on the number of people awarded WNBL Life Membership in any one year, but the Basketball Australia Honours and Awards Commission may use its discretion in recommending to the BA Board how many awards will be made.

## **MEDIA AWARDS**

These awards highlight the exceptional work done across all media outlets reporting on the WNBL throughout the season. Media are encouraged to nominate for their relevant category with no limits on the amount of submissions.

The award categories are as follows:

- Feature Story of the Year – this award recognises the well-researched written or video profiling of an individual athlete, team or coach (any medium). The journalist will be the recipient of this award.
- Photograph of the Year – this award recognises the incredibly imagery captured of athletes, teams or coaches. Photographers may submit a maximum of six photographs. The photographer will be the recipient of this award.
- Reporter of the Year – entrants will be judged on news breaking, features, insight, impact and a consistent high standard of reportage of WNBL stories during the season. The award is open to all forms of media, and the recipient will be an individual.
- Best Overall Coverage – entrants will be judged on news breaking, features, insight, impact and a consistent high standard of reportage of WNBL stories during the season. The recipient will be a publication, of any media format.

# LEAGUE FORMAT & RULES

## COMPETITION OVERVIEW

For the 2023/24 WNBL season, eight (8) WNBL Clubs will compete for the WNBL Championship.

Adelaide Lightning	Adelaide, South Australia
Bendigo Spirit	Bendigo, Victoria
Deakin Melbourne Boomers	Melbourne, Victoria
Perth Lynx	Perth, Western Australia
Jayco Southside Flyers	Melbourne, Victoria
Sydney Flames	Sydney, New South Wales
Townsville Fire	Townsville, Queensland
University of Canberra Capitals	Canberra, Australian Capital Territory

## MATCH FORMAT

Matches will consist of four quarters of 10 minutes each. There will be an interval between each quarter, lasting for two (2) minutes, except the half-time interval (between the 2nd and 3rd quarter) which will last for 12 minutes depending on broadcast scheduling

## PLAYER STATUS

Restricted players are allowed to participate in the 2023/24 season. A restricted player is any player born outside the FIBA Oceania Region.

Any foreign born player that holds Permanent Residency in Australia shall be entitled to play in the WNBL as an unrestricted player.

## WNBL LADDER

The positions on the ladder during the regular season shall be determined by win/loss percentage.

Should two or more teams be tied with the same win/loss percentage during the regular season they shall be ranked by Head to Head results between the tied teams.

If 2 or more teams have the same win-loss record of all games at the end of the season, the game(s) between these 2 or more teams shall decide the final placings. If these 2 or more teams have the same win-loss record of the games between them, further criteria shall be applied in the following order:

- Higher game points difference of the games between them
- Higher number of game points scored in the games between them
- Higher game points difference of all games during the season
- Higher number of game points scored in all games in the group

If at any level of this criteria one or more teams ladder position is determined as a result of the above criteria, the procedure shall be repeated from the beginning for all the remaining teams not classified yet until all ladder positions are determined.

## **PLAYER ELIGIBILITY FOR WNBL FINALS**

To be eligible to play in finals, a player must have played a minimum of one-third of the regular season for the same WNBL club.

A WNBL club cannot register a new player after December 31, 2023, unless replacing a player under an injury wavier.

When calculating player's games played, a player's names must be on the score sheet, be in the respective teams playing uniform, seated on team bench and be medically fit to participate in the game.

## **GAME ABANDONMENT**

At any stage of a game the referees and/or game commissioner may abandon the game due to security and welfare concerns of players, officials and spectators.

The following formula be used to determine the result for a game that cannot be completed.

- A 20 + point margin will mean that the result will stand at the scoreline when the game was abandoned, at any point of the game.
- A margin less than 20 points before half time will mean the game is abandoned and league management will determine if game is to be replayed.
- A margin of less than 15 points between half and three-quarter time will mean that the game is abandoned, and league management will determine if game is to be replayed.
- After three-quarter time, the result stands at the scoreline when the game was abandoned.

If the game is abandoned prior to tip off, the league will endeavour to replay the game at a later stage of the season. However, the league will assess if the game is required to be replayed depending on ladder position and if the game is needed to determine playoffs position. If abandoned prior tip off and not replayed, the teams effected by the abandoned game Win/Loss percentage will be determined by one (1) less game.

## KENNEDY KEREAMA

Kennedy Kereama returns Bendigo for a second season as the Spirit head coach, having previously coached the West Coast Waves. A well respected coach with the basketball community, it is great to have Kennedy back in the league. Kennedy was head coach of the New Zealand Tall Ferns for a number of years, and is a very experienced coach. Kennedy has put together a quality team in Bendigo this year and will look to build on the great foundations from last season where the spirit missed the WNBL Finals by one game last season

## CHRIS LUCAS

Chris Lucas is held in high regard within WNBL circles. His involvement in the League's coaching ranks dates back to his time as an Assistant Coach at Adelaide under Jan Stirling, before taking over the role of Head Coach of the Lightning in 2004. In his initial three-year tenure in the top job, he took the Adelaide Lightning to the finals in each season, reaching as far as the preliminary final in 2006/2007. Lucas left Adelaide at the end of the 2006/07 season, commencing another assistant coaching role, this time at Canberra, under head coach Carrie Graf, helping the Capitals to two WNBL Championships in his three years at the club. He then continued his successes as a Head Coach at the Townsville Fire. In five seasons, Lucas led Townsville to the finals in each occasion, becoming the fifth coach in WNBL history to claim back-to-back Championships in 2014/15 and 2015/16. Lucas then returned home to Adelaide to commence his second stint as head coach of the Lightning for the 2016/17 season. After 6 successful seasons leading his home club, Chris made the move to Melbourne for the 22/23 season.

Chris currently sits 4th All time in games coached

## GUY MOLLOY

Guy Molloy is arguably the most experienced of all current WNBL coaches, with a coaching career dating back to 1989 where he coached the Canberra Capitals for one season. Molloy returned to WNBL coaching in 1993 in charge of the WAIS Breakers, taking them to the finals in each of his four seasons there. Molloy has since built upon his wealth of coaching experience as Head Coach of the Australian Under-17 Men's team, guiding the team to a silver medal finish at the 2012 FIBA Under 17 World Championships. He also coached the Victoria Metro U18 Men's team to three consecutive titles from 2007 to 2009. Molloy also completed a stint in the NBL as coach of the Cairns Taipans from 2001 to 2005, before commencing his role as head coach of the Melbourne Boomers in 2013. Molloy is also New Zealand National women's team head coach.
